

"Religion that is
pure and undefiled
before God the
Father is this: to visit
orphans and widows
in their affliction,
and to keep oneself
unstained from
the world."

YOUR CHURCH HERE

Together we join with the Church around the world to remember God's heart for vulnerable children and families in our communities.

Rooted in James 1:27, Pure Religion Sunday invites all believers to live in ways that are decisively different and set apart (holy), and that embody self-giving sacrifice (helpful) for the orphaned, widowed and vulnerable among us. It's about growing deeper in our faith and living out our faith wider – recognizing that when we move toward the hurting and hard places in our world, we not only reflect Jesus but also grow more like Him each day.

Pure Religion Sunday rises from the heritage of Orphan Sunday and Stand Sunday, where a small, humble church in Zambia (Orphan Sunday, 2002) and another in Brownwood, TX (Stand Sunday, 2004) responded to God's call to welcome and care for the vulnerable children of their communities.

Together, we believe that we are not all called to do the same things, but we are all capable of doing something to help children and families experience God's unfailing love. **Everyone can do something!** We invite you to prayerfully consider what your "something" might be!

Together we join with the Global Church to remember God's heart for the orphaned and vulnerable children in our community and in our world.

The legacy of Orphan Sunday came as a gift from the church in Africa through a Zambian pastor's passionate call to care for orphans in a community that had been ravaged by AIDS and poverty. Members of the church faced deep needs themselves. But as the service ended, one after another stepped forward with money, food, and other goods – some even taking off their own shoes and placing them in the offering for orphans.

Together, we believe that **everyone can do something** to help a vulnerable child and family. We hope you will pray about the ways you can begin to reflect God's heart for the vulnerable on Orphan Sunday.

Together we join with churches across the U.S. to raise awareness of the needs of vulnerable children and families in our communities who are touched by the foster care system.

The legacy of Stand Sunday comes from a small church in Brownwood, Texas. There, pastor and foster/adoptive parent Bishop Aaron Blake said to his congregation, "Brothers and sisters, there are about 30,000 children in the foster care system in Texas and nearly a half a million in the U.S." He then asked this one simple question (while not expecting a verbal answer), "Who will stand with me to defend, care, and support abused, abandoned, and neglected children in our community?" After a brief moment of silence, one lady in the back of the church stood up and simply replied, "Pastor...I will." And, Stand Sunday was born.

Like a tiny, smoldering ember dropped in a pile of thirsty pine needles, her voice began to multiply. To his amazement, Bishop Blake watched as one family after another stood up and joined their voices to hers. As a result of that day, this church and the surrounding community has cared for and adopted hundreds of children in foster care over the last 18 years. In fact, their county actually has more than enough foster families to meet the need there.

We hope you will pray about the ways you can begin to stand up for kids and families in foster care so that together we can provide **more than enough** support for families in our community.
