

Join us for breakfast!

August 5th, 9am

New Life, 665 Harcourt Rd, Mt. Vernon

with Fostering Family Ministries

Celebrate faith making a difference for vulnerable children.

In the last five years your county has seen exponential growth in the number of foster children.

Come learn how **FFM** has been involved in helping local churches impact those children's lives.

From foster parents, volunteers and kinship families to educators and social workers we see God using His church to help bring hope and healing to children from hard places.

Breakfast is on us. Please send a pastor and/or church leader to celebrate and catch the vision!
