SPONSORSHIP / TABLE HOST PACKET

SPONSORSHIP/ TABLE HOST PACKET

Every child is Made for Home. The resources are available to provide enough supported homes for vulnerable children in foster care. Help us raise funds, foster families, and volunteer support needed to grow the coalition of churches and network of community partners serving children and families in foster care. Together every community can provide more than enough supported homes for children in foster care and vital support to families in the foster care system.

Thank you for serving!

Help us reach our goal of \$125,000!

Special Guest Speaker:

Austin Ludwig
Artist, Pastor, Foster Alum

Austin Ludwig is a self-produced artist, speaker, and advocate for foster care, based in Atlanta, Georgia. After enduring fifteen years of abuse and trauma, Austin spent his formative years in the foster care system, aging out at 18. Amidst the brokenness of his past, Austin experienced the transformative love of Jesus, finding healing and restoration through the gospel.

Over the past 12 years, Austin has dedicated his life to full-time ministry, using his testimony to fuel his recording artistry, writing, and speaking engagements. After years of pastoral ministry, he now focuses on his music career while also serving on staff with the WinShape Foundation, partnering with WinShape Homes to equip local churches in their mission to care for children in foster care.

Austin's passion for discipleship drives his commitment to helping younger generations come to know Christ. He believes that God has the power to turn traumatic stories into life-giving testimonies. Austin lives in Atlanta with his wife of five years, and together, they are dedicated to serving God through both their personal and professional lives.

Thank you for serving!

WHO TO INVITE

- Prayerfully consider those you know who have a **heart for children and youth**.
- Think of those who want to make an **impact on ground zero in their community**, for those who are at risk for human trafficking, homelessness, drug addiction, and incarceration.
- Think of those who are **generous**, whether they are wealthy or living on a tight budget. Consider those who want to invest in the ministry of serving vulnerable kids and families.
- See WHO TO INVITE BRAINSTORM LIST on the following page.

Children in your community need safe, loving homes to find hope and healing. The foster care crisis will end when we have enough foster homes for every child and youth and enough support friends to surround foster, kinship, birth, and adoptive families with practical support as they help children heal.

“God sets the lonely in families” Psalm 68:6, and those families are in our churches where children and youth can find hope and healing for now and for eternity.

Seats are limited for the banquet. Consider how you can fill your table seats with those who will step up to benefit children and families in foster care with their financial support and potential volunteer support.
